Annual Meeting
Tuesday,
March 22nd, 7:00 PM
Township Building
820 Mercer Street

A NOTE FROM THE PRESIDENT...

Dear Fellow Covered Bridge Swim Club Members:

As we begin March, hopefully the harsh winter is behind us and warmer spring days are almost here. As spring approaches, so does the time for our annual CBSC Membership Meeting. This year's meeting is scheduled for Tuesday, March 22, 2011 at 7 p.m. at the Cherry Hill Township Municipal Building's Community Center.

This is a great time to be a member of Covered Bridge Swim Club. Our membership is still strong and so is the enthusiasm of our members. Last year our membership included 222 families. That number included twenty one new families that joined; however, it was fourteen families less than our previous year's membership. I encourage all members to invite your new neighbors and friends to join CBSC. Continued membership growth and member involvement is essential to the success of our club.

Bruce and Kim will be returning to co-manage the swim club this summer. I am also pleased to announce that Tim Tedesco will return this year to once again lead the 2010 Cherry Bowl Champion Crocodiles through "A" Division. Come join us at our membership meeting to learn more about the coaches, their staff and other exciting activities of both the swim and dive teams.

If you recall, last fall we solicited your feedback on a short membership survey about CBSC. We received 64 responses to our request. Thank you to all members who completed the survey. Your ideas, suggestions and comments have been beneficial to the Board to help us plan for the 2011 season. We received many ideas and suggestions from the survey. While we received many positive comments, there were a few suggestions that we are currently addressing in order to make CBSC a more rewarding and safe experience for all members, including payment options, the bee issue and the general housekeeping of the facilities. For the past few months we have been attempting to work on these issues and more. We plan to present all results of the survey and your suggestions at the Annual Membership Meeting on March 22nd.

We welcome everyone to participate in any of our swim club committees, whether you're interested in the club socials, swim/dive team activities, maintenance, sports or any other club activity. We also need to continue to spread the word about our club to increase membership and ensure a strong financial future. To learn more about what's happening at Covered Bridge Swim Club, come join us at our Membership Meeting.

We hope to see you on March 22nd!

Volunteers Needed

Another season at the pool is quickly approaching. Now is the time to start thinking about volunteering some of your time to get the pool in ship shape form for our opening. We had tremendous turnout last year from many members. We had some serious MVP's that came out on multiple occasions to rake, paint clean & scrape. Too many, to mention by name.

Many folks who had not been out before didn't realize how much work has to be done to get the pool and grounds ready for opening. It's a big property & just like your house it has to be maintained and cleaned up every spring season.

If, you have not volunteered before please consider it this season. We would love to see some new faces this year and would appreciate your help. We only ask for a couple of hours and you don't need any special skills.

No Time?

Please consider donating materials if you do not have time to volunteer for cleanup. We always need mulch, sand, paint, tools & other supplies. Buying a new grill & your old one is still perfect or gently used? Consider donating it to the pool. We do our best to keep everything running & in working order but sometimes we need to replace things. Donations are a great way to help out. Please contact Mark Pattison at 795-4948 if you have items you think we could use and would like to consider donating.

Swim & Dive Team News

Hello CBSC crocs and croc families can you believe it is almost that time again! Congratulations as we will continue to compete in the A division and defend our Cherry Bowl victory from 2010. Tim Tedesco and assistant coach Jessica Burnett will once again lead our team.

We strongly encourage you to sign your swimmers up for spring swimming to prepare them for the start of our season which is only 12 weeks away.

We are excited about our 2011 dive season. Kate Blandy will not be returning as head coach as she pursues her education in the hospitality industry. We are aggressively searching for a new coach to lead our wonderful team. We are very pleased to announce that our two assistant dive coaches Julia Hall and Hope Ward will be returning.

Please encourage your children to try our dive team. It is fun, exhilarating and proves to build confidence.

There is a new team suit this year. The name of it is the Alliance T-Splice made by TYR. The suit can be purchased for a discount at Dansizen & Quigley.

NOTE: The Swim/Dive Team Parent Meeting will be held on Sunday, May 15th, at 4:00pm at the swim club.
