Volunteers Needed

Another season at the pool is quickly approaching. Now is the time to start thinking about volunteering some of your time to get the pool in ship shape form for our opening. We had tremendous turnout last year from many members. We had some serious MVP's that came out on multiple occasions to rake, paint clean & scrape. Too many to mention by name.

Many folks who had not been out before didn't realize how much work has to be done to get the place ready for opening. It's a big property & just like your house it has to be maintained and cleaned up every year. In order to keep dues down we always relied on our members to help in volunteering. If we paid several companies to come out and perform all the things we need done every year we would have to raise dues.

So, if you have not volunteered before please consider it this year. We need everyone's help. If you ever wondered who does it all it's probably the member sitting next to you. Let's all be unsung heroes.

No Time?

Please consider donating materials if you do not have time to volunteer for cleanup. We always need mulch, sand, paint, tools & other supplies. Buying a new grill & your old one is still perfect or gently used? Consider donating it to the pool. We do our best to keep everything running & in working order but sometimes we need to replace things. Donations are a great way to help out. Please contact Mark Pattison if you have items you would like to consider donating.
