PRESIDENT'S LETTER 2011

Dear Fellow Members:

In just less than two short months another summer season begins at Covered Bridge Swim Club. Welcome the new season by joining your friends and neighbors for opening day at the pool on Saturday, May 28, 2011.

We are expecting another fun and rewarding pool season. From the socials to the organized sports to the swim and dive teams to the everyday lounging by the pool, I hope everyone takes advantage of the many benefits of membership.

We have not increased membership dues for the 2011 season. However, it is now more important than ever that everyone contributes by participating in Proud Owner Days to help offset our expenses. We have scheduled numerous Proud Owner Days this year for everyone's convenience – May 7th, May 14th, May 21st, and 22nd. We need as much help as possible to clean up, spruce up, help with general repairs and generally make the facilities and grounds as nice as possible for the upcoming season. Even if you only can spare an hour of your time, we need your participation so that our club will be in great shape for opening day. If your schedule permits you to assist only on weekdays or evenings, just let us know and we'll accommodate that request. Please note that children can earn community service hours for helping out too...so bring along the entire family.

This year, we again offer an option to save paper by registering online. Please use the on-line registration if possible - it helps us better manage our records. However, if you prefer a hard copy registration form, forms may be found on-line and are included in this membership packet. Also, for your convenience we are offering two payment options this year. Details for the payment options can be found online at www.cbscswimclub.org and www.TheSignUpSheet.com.

If you recall, last fall we solicited your feedback on a short membership survey about CBSC. We received 64 responses to our request. Thank you to all members who completed the survey. Your ideas, suggestions and comments have been beneficial to the Board to help us plan for the 2011 season. We received many good ideas and suggestions from the survey. While we received many positive comments, there were a few suggestions that we have been addressing in order to make CBSC a more rewarding and safe experience for all members, including the new payment options, the bee issue and the general housekeeping of the facilities. For the past few months we have been attempting to work on these issues and more. In addition, we received some great ideas about having new activities at the pool; however, we need volunteers to implement these ideas. **We urge everyone to get involved at some level because the success of our pool is directly linked to our membership involvement.**

We welcome back Bruce Krohn and Kim Hiestand as our pool managers. Bruce and Kim are both veterans of Covered Bridge and their enthusiasm; creativity and work ethic will be evident throughout the season.

Tim Tedesco will return this year to lead our 2010 Cherry Bowl Champions, Division "A" Crocodiles through another fun, exciting and successful swim season. Tim will again be assisted this year by Jessie Burnett. The team will also be supported by Swimmer Assistants Danny Knapp and Allie Manning. We are happy to welcome Tim Breswick back as our new dive coach. Tim was previously both an assistant and head coach for the CBSC dive team and he is looking forward to joining the team again and having a fun and successful dive season. We are also pleased to announce that our two assistant dive coaches, Julia Hall and Hope Ward, will also be returning to CBSC. We should all be very proud of our swim and dive teams and cheer them on to continued success this year.

Our club is financially sound, has a strong, committed membership base and a great swim/dive team program. Please come out and join your family, friends and neighbors in all that Covered Bridge has to offer.

Thank you for your continued support and enthusiasm. I'll see you at the pool!

Jack Gallagher - President

Volunteers Needed

Another season at the pool is quickly approaching. Now is the time to start thinking about volunteering some of your time to get the pool in ship shape form for our opening. We had tremendous turnout last year from many members. We had some serious MVP's that came out on multiple occasions to rake, paint clean & scrape. Too many to mention by name.

Many folks who had not been out before didn't realize how much work has to be done to get the place ready for opening. It's a big property & just like your house it has to be maintained and cleaned up every year. In order to keep dues down we always relied on our members to help in volunteering. If we paid several companies to come out and perform all the things we need done every year we would have to raise dues.

So, if you have not volunteered before please consider it this year. We need everyone's help. If you ever wondered who does it all it's probably the member sitting next to you. Let's all be unsung heroes.

No Time?

Please consider donating materials if you do not have time to volunteer for cleanup. We always need mulch, sand, paint, tools & other supplies. Buying a new grill & your old one is still perfect or gently used? Consider donating it to the pool. We do our best to keep everything running & in working order but sometimes we need to replace things. Donations are a great way to help out. Please contact Mark Pattison at 795-4948 if you have items you would like to consider donating.
