### Volunteers Needed

Another season at the pool is quickly approaching. Now is the time to start thinking about volunteering some of your time to get the pool in ship shape form for our opening. We had tremendous turnout last year from many members. We had some serious MVP's that came out on multiple occasions to rake, paint clean & scrape. Too many, to mention by name.

Many folks who had not been out before didn't realize how much work has to be done to get the pool and grounds ready for opening. It's a big property & just like your house it has to be maintained and cleaned up every spring season.

If, you have not volunteered before please consider it this season. We would love to see some new faces this year and would appreciate your help. We only ask for a couple of hours and you don't need any special skills.

### No Time?

Please consider donating materials if you do not have time to volunteer for cleanup. We always need mulch, sand, paint, tools & other supplies. Buying a new grill & your old one is still perfect or gently used? Consider donating it to the pool. We do our best to keep everything running & in working order but sometimes we need to replace things. Donations are a great way to help out. Please contact Mark Pattison at 795-4948 if you have items you think we could use and would like to consider donating.
